Residents Mariann Byers and Jim Brady addressed the Committee regarding traffic impact of the proposed "Altair" project within the City of Temecula. General Manager Holmes and Director Buescher agreed to schedule a meeting with City of Temecula to learn more about the project and discuss potential impact to DLCSD residents.

### **C. MINUTES:**

Minutes of the January 11<sup>th</sup>, 2017 meeting were approved.

### **D. STORM DAMAGE UPDATE AND FIELD SERVICES REPORT:**

GM Holmes reported that emergency repairs have been made to La Cruz Road that was damaged during the storms. Gm Holmes and Maintenance Supervisor Cady reported that the storm had caused numerous areas of shoulder erosion and many culverts were blocked with debris. The District hired additional temporary personnel and backhoes to work with District forces to remove debris from culverts and to remove large boulders, mud and debris from roadways. District crews continue to work to mitigate storm related damage to our roads, culverts and drainage facilities. GM Holmes reported that he had submitted damage estimates of approximately \$400,000 to the Riverside County Office of Emergency Services. The county is gathering damage estimates and will submit to the State for possible state and federal disaster relief.
